

# SMT. PARVATHAMMA SHAMANUR SHIVASHANKARAPPA RESIDENTIAL SCHOOL & P U COLLEGE

Beside Davangere University, Tolahunse

<b>NAME OF THE EVENT</b>	Plantation of Planting flowering plant in the Garden – CBSE SUWP ACTIVITY
<b>OBJECTIVE</b>	Beautify garden, promote biodiversity, environmental awareness.
<b>OUTCOMES</b>	Enhancing Colorful Garden, increased pollination, ecological balance
<b>PARTICIPANTS / WINNERS</b>	Students & Teachers of Grade I to X
<b>GUESTS &amp; SPEECHES</b>	Nil

## DESCRIPTION OF THE EVENT

Students from Grade III took part in planting dwarf plumeria trees in the school's flower garden. The young participants demonstrated enthusiasm and dedication as they carefully placed the saplings into the soil, ensuring their proper growth. The addition of these flowering trees not only enhanced the beauty of the garden but also instilled a sense of environmental responsibility and equanimity among the students.
