Special Note: During the joyous celebration of Ruchi Rangotsava, our school had the privilege of hosting orphanage students from Davangere. Students studying in grades V to VIII from the orphanage joined our students for the food fest, and their smiles and happiness added a unique touch to the event. It was heartening to witness the camaraderie and warmth shared between our students and the guests, further reinforcing the spirit of togetherness and inclusivity. The exchange of laughter and shared meals created a truly unforgettable experience for everyone involved, fostering a sense of compassion and empathy that goes beyond cultural boundaries. We are immensely grateful for this meaningful connection and look forward to future opportunities for such heartwarming interactions.
