DESCRIPTION OF THE EVENT The "Minute to Win" event held at the IHA Auditorium during the session period aimed to provide Grade IX to X students with a platform to showcase their quick thinking, problem-solving abilities, and teamwork. The event's primary objective was to create an engaging environment that would stimulate intellectual curiosity and foster a spirit of healthy competition among the participants. The event featured a series of challenging activities designed to be completed within a minute, testing the students' ability to think on their feet. These activities ranged from puzzles and brainteasers to collaborative problem-solving tasks. The diverse nature of the challenges ensured that participants had the opportunity to apply their knowledge and skills across various subjects, promoting interdisciplinary thinking.
